

“The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack in will.”
Vince Lombardi Jr.

HELP YOURSELF TO SUCCEED: REVIEWS FOR THE FINALS

Attention all students in MATH 1111, MATH 1113, STATS 1127

This semester you have a wonderful opportunity to attend review sessions for the finals offered by Professors Tu, Kamau and Lumley! The review sessions will include work on specific problems, a discussion on the underlying concepts and important subtle points and details. The key points of the courses will be reviewed as well. You are encouraged to bring your own questions as well. Other activities will include

- Test taking skills
- Organization
- Study tips
- Provide directions on where the material can be found in the text.
